

3M Online Respirator Medical Evaluation

On busy job sites, getting results – and getting them quickly – is vital. To save you time, money, and the hassle of coordinating clinic appointments, 3M facilitates a convenient, online method for employers to obtain medical evaluation of respirator wearers as required by the OSHA Respiratory Protection Standard (29 CFR 1910.134**). The Online Respirator Medical Evaluation has a web-based interactive questionnaire, which gives you immediate notification of the results.

Here are some of the benefits the Online Respirator Medical Evaluation Service offers:

Convenience

- Respirator medical evaluations for all brands and types of respirators
- Most employees do not need to leave the work site
- Questionnaires available in both English and Spanish
- Evaluations can be taken 24 hours/day, 7 days/week from any computer with internet access

Speed

- It takes most employees only 15 to 30 minutes to complete the questionnaire

Consistency

- All employees are evaluated using the same expanded OSHA Respirator Medical Evaluation Questionnaire

Quality

- The expanded OSHA Respirator Medical Evaluation Questionnaire incorporates work conditions and respirator types
- Board-certified occupational medicine physicians complete the reviews and, when necessary, make recommendations for medical follow-up.

*Terms and Conditions

Valid for new users of Respexam.com. Limit 2 free evaluations per customer. Must complete new user account setup at Respexam.com to claim 2 free evaluations. Evaluations must be redeemed within 30 days of signing up at Respexam.com. Free offer is limited to Respirator Online Medical Evaluations offered through Respexam.com. Additional medical evaluation and other services are not included. We reserve the right to qualify requests. Evaluations are for occupational use only. 3M reserves the right to cancel the program at any time. Offer valid only in the United States. Other limitations and information are available at Respexam.com.

**This service is not designed to meet the medical surveillance requirements of substance-specific OSHA health standards.

Sign up, take the questionnaire, and get instant results with the 3M Online Respirator Medical Evaluation Service.

The process is easy to use:
