## **Lens Cover**

*User Instructions*

*(Important: Keep these User Instructions for reference)*

**UPC code 0 51131 07142**

**The 3M™ Lens Covers are designed to provide a replaceable protective covering for the lens of the 3M™ 6000 Series Full Facepiece Respirator.**

1. Remove release liner from adhesive at each side of 6885/07142 lens cover.
2. Position lens cover over the 6000 Series Facepiece lens and adhere in place.
3. Remove used lens cover by lifting tab away from facepiece.
