

Super Duty Shop Presses

Loaded with Power...Built with Precision

862ASD

150 Ton Super Duty Shop Press

Heavy duty cable winch with non-slip safety clutch and steel cable system provides effortless bed adjustment

Glycerin filled gauge accurately shows pressing force

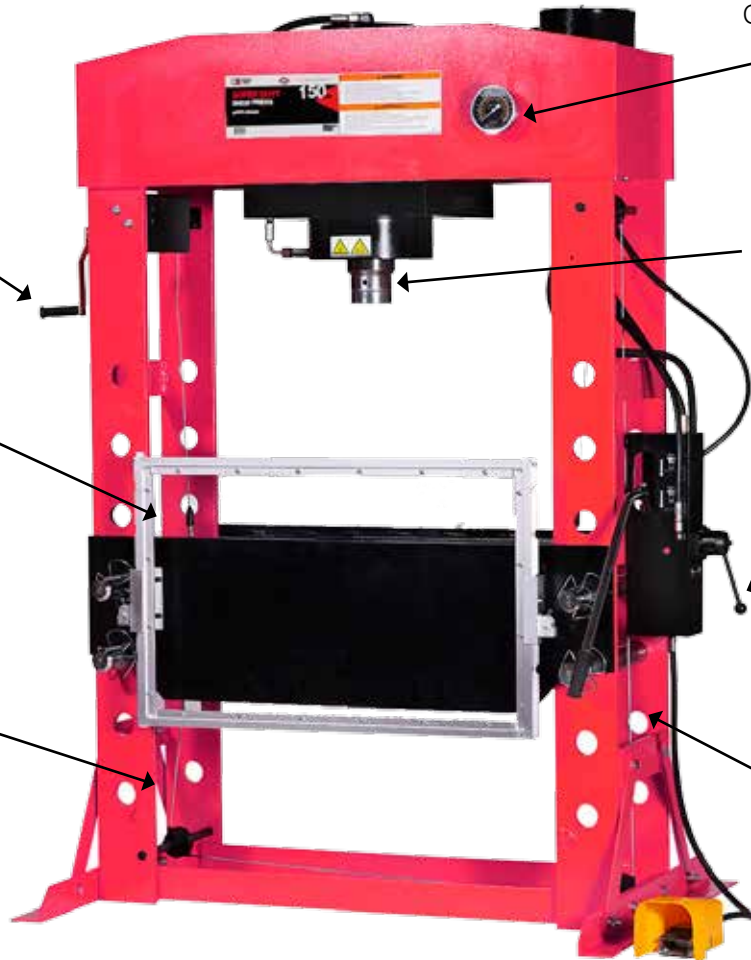

Lateral head adjuster provides smooth side to side movement of the press head allowing a greater working range

Shatter resistant polycarbonate protector shield provides maximum protection against shrapnel and debris

Double speed pump that automatically shifts when pressing or retracting the ram

Welded construction for exceptional strength and durability

7 position bed height configuration for ultimate operator flexibility

- Includes pin and bearing press adapter set
- Equipped with overload protection
- Meets ASME 2014

MODEL	CAPACITY (Tons)	RAM STROKE	OVERALL DIMENSIONS	BED DEPTH	BED WIDTH	THROAT DEPTH	THROAT WIDTH	SHIP WEIGHT
