WARNING

TO REDUCE THE RISK OF SERIOUS INJURY DURING USE, FOLLOW THESE INSTRUCTIONS FOR PROPER ASSEMBLY.

- Do not completely cover or submerge the unit in water or oil. While designed to handle grime, sustained moisture and oil inside the light will damage connections.
- Do not operate the charger or charger adapters if it has been subjected to shock or damage; failure to do so may cause fire and may result in personal injury and property damage.
- Do not use when it is wet, it can cause electric shock.
- This is not a toy. Do not allow children to play with this item.
- Do not stare into the beam when the light-bar is turn on, it can cause damage to the eyes.
- It is not recommended to operate the light-bar exceed the temperature specification.
- Never plug in nor remove the charger adaptor plug with wet hands, as doing so may cause electric shock.
- Avoid using the charger adaptor in humid or dusty locations, in locations exposed to the direct sunlight, near the heaters, or in locations generating sooty smoke or steam as doing otherwise may result in fire or electric shock.
- Do not use this charger adapter for the unit which does not designate its use in combination, doing so may cause a fire.
- Remove the charger adaptor plug from the wall AC outlet when moving the connected equipment, as doing otherwise may cause damage to the power cord, resulting in a fire.
- Unplug the charger adaptor plug from the AC outlet for safety purposes when cleaning or leaving the unit unused for 10 days or more. Doing otherwise may cause a fire or electric shock.
