ATD-13785

13 Pc. Metric Hex Bit Socket Set

Features:

- Bits are made from S2 steel to meet or exceed torque specifications
- Sockets are made from heat treated chrome vanadium steel for strength & durability
- ATD carries a complete line of bit sockets available individually.
- Custom blow molded case included.
- These high quality hex bit sockets are designed to be used with hand tools only. The bit socket warranty is voided if they are used with any type of impact tools.
