ATD-80447

150 Lumen Foldable Pocket Thin Light

Features:

• (2) 150 constant lumen COB LEDs deliver wider and brighter lighting areas
• Memory function records setting after 5 seconds, and that setting is recalled the next time device is activated
• Ultra-thin design pivots 180º to allow inspection in the tightest work areas and folds flat for pocket storage
• 75 lumen LED top light provides an additional flashlight function
• Battery indicator shows charging progress
• Automatic shut-off and overcharge protection for optimal battery life
• Low battery warning indicates charging will be required soon
• Includes USB-C charging cord

Specifications:

• Length: 12" (6.4375" folded)
• Top SMD LED Lumens: 75
• Top SMD LED Runtime: 2.5 hours

- Main COB LED Lumens: 75 low/150 high
- Main COB LED Runtime: 3.5 hours low/1.8 hours high
- Rear COB LED Lumens: 150
- Rear COB LED Runtime: 1.8 hours
- 3.7V, 700mAh lithium-ion rechargeable battery
