ATD-843

3 Pc. Water Pump Pliers Set

Features:

- Push-button design for quick size adjustment
- Slim head design for working in tight spaces
- The V-jaw design provides maximum torque and gripping power when dealing with the smallest nuts, bolts and other hard to reach fasteners
- The comfort grip handles reduce hand fatigue and slippage, while the hardened jaws and cutting edges are designed for strength and durability

Set Includes:

- ATD-840 - 7" Water Pump Plier
- ATD-841 - 10" Water Pump Plier
- ATD-842 - 12" Water Pump Plier
