ATD-9215

5 Pc. Titanium Coated Left-Hand Drill Bit Set

Features:

- Titanium coated HSS drill bits offer the best combination of speed & durability for repetitive drilling into steel, alloy steel, wood & plastic
- Titanium coated bits last up to six times longer than standard high speed drill bits
- Bits 1/8" & larger feature a 135 degree(s) split point for easier starts & minimal bit walking
- Perfect for use with screw extractors

Set Includes:

- 5/64", 7/64", 5/32", 1/4" & 19/64"
