

Instructions for Models 908 / 975 26 Watt Fluorescent Work Lights

INS-908-12

Electrical Rating - All models use 125 Volts 60 Hz

CAUTION - TO REDUCE THE RISK OF ELECTRIC SHOCK AND FIRE - PULL PLUG WHEN SERVICING, CONNECTING/DISCONNECTING FROM THE LAMP OR WHEN RE-LAMPING - USE ONLY 13 WATT OR SMALLER BULB

CAUTION

DO NOT use in explosive atmospheres, near flammable liquids, or where explosion proof lamps are required.

DO NOT use in the proximity of vehicles or equipment when there is a risk of flammable liquids coming into contact with the hand lamp

DO NOT immerse in water

DO NOT use in areas where water can accumulate or in rain or mist

CAUTION: Risk of Electric Shock – For Light Duty Dry Location Use Only

IMPORTANT SAFETY INSTRUCTIONS

This product has a 3 prong polarized plug on the power cord. Do not attempt to bypass this safety feature by removing the round plug and defeat his safety feature. This plug will fit into a grounded outlet only one way. If the plug does not fit fully into the outlet, contact a qualified electrician. Never use with a two wire extension cord.

WARNING: NOT FOR USE IN HAZARDOUS LOCATIONS

CAUTION: DO NOT USE IN HAZARDOUS LOCATIONS AS REQUIRED BY THE CANADIAN ELECTRICAL CODE, PART I

OPERATION

Plug into 120 Volt 60 Hz polarized outlet. Notice the polarized plug and insert properly. Operate switch. Lamp may flash several times before lighting.

Some models have a 3-wire grounded outlet as a power source for electrical tools or other appliances not exceeding 6.4 AMPS. The outlet will also accept a two-wire polarized plug.

BULB REPLACEMENT

1. Disconnect the work light from electrical outlet.
2. Remove the lens cover screws located on each side at the top end of the lamp.
3. Pull the lens out and up to expose the bulbs.
4. Slide the bulb holder from around the bulbs. The bulbs will remain in the socket.
5. Grasping the bulb at the top, rock the bulb back and forth while carefully pulling up on bulb to remove and discard the old bulb.
6. Insert new bulb in socket and bulb holder. Be sure bulb is properly seated against the bulb-holder.
7. Slide the lens back into place until it snaps in place.

8. Align the holes in the lens with the holes in the side of the light. Replace the screws.
9. Restore power connection and test lamp by pressing the power switch

NOTE: Even new lamps will flash several times before lighting.

REPLACEMENT BULBS

Use PL-13 twin-tube fluorescent bulb.

A replacement lamp may be obtained from Bayco products.

WARRANTY

PRODUCTS COVERED UNDER THIS LIMITED WARRANTY:

This product is warranted to the original purchaser for 1 year and only covers failures due to defects in materials or workmanship. If this product is used for rental purposes, the warranty term is reduced to 90 days from the date of purchase.

NOT COVERED

The warranty does not cover normal wear and tear or cosmetic damage. The Limited Warranty also does not cover damages which occurred in shipment or failures which are caused by accidents, misuse, abuse, faulty installation and lightning damage.

Consequential damages, incidental damages or incidental expenses, including damage to property. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, which may vary from state to state.

This warranty does not apply to certain Bayco professional products that carry a specific warranty unique to those products.

WARRANTY CLAIMS - USA

Contact Bayco for USA warranty claims. Call and Bayco Customer Service will provide a Return Goods Authorization (RGA) to facilitate rapid warranty action. After receiving the RGA, send the product (shipping prepaid) to BAYCO. Include a dated proof of purchase and a brief description of the defect with your name, address and phone number. Your product will either be repaired or replaced at the option of Bayco and returned as soon as practical, but no later than 45 days after being received by Bayco.

WARRANTY CLAIMS - CANADA

Return the product to the place where purchased with a dated proof of purchase and a brief description of the defect with your name, address and phone number. Your product will either be replaced or purchase price refunded.

REQUEST FOR WARRANTY ACTION

If you have any questions about this warranty or any other Bayco product inquiries contact BAYCO.
