

Frequently Asked Questions

This collection of frequently asked questions (FAQ) provides brief answers to many common questions about BLACKHAWK® products. Discover what other BLACKHAWK enthusiasts have asked us and how it can help you.

Q: Why don't you offer holsters for every make and model of weapon?

A: The fit of our holsters are designed to match specific weapons. One holster won't fit every model or user. We offer holster options for right- and left-handed shooters.

Q: What is Tencel?

A: Tencel is a man-made fiber that's constructed with natural cellulose found in wood pulp. It's fully biodegradable and has a low impact on energy use and natural resources.

Q: Why do BLACKHAWK Knoxx SpecOps Adjustable shotgun stocks not work on my semi-automatic shotgun?

A: The spring plunger that extends into the stocks of some semi-automatic
