### PLATINUM

The new exclusive scratch and fog resistant coating guarantees even more safety, reliability and comfort. Washable (water and soap), this permanent coating applied on both sides of the lens makes it highly scratch resistant and durably delays the appearance of fogging.

**CLEANING** Lenses should be cleaned regularly. Bollé Safety recommends using the B-clean lens cleaning system.

**STORAGE** Must be stored in a clean, dry environment. After each use, keep product in a microfiber pouch or rigid case.

**REPLACEMENT** If lenses or frames are pitted, scratched or damaged, the complete product must be replaced.
