

Blue Kangaroo™ Combo Screed

Bon's Kangaroo™ Combo Screed is used as a screed, float or a checking rod. A lightweight aluminum design and built in handle make it easy to move heavy loads. The aluminum screed base features a combination of a sharp edge and rounded edge. The position of the handle is easily adjusted for better comfort.

- ▶ Ribbed handle provides excellent grip and better leverage
- ▶ Built-in level provides time saving precise prep and finish work
- ▶ Multiple trade applications for concrete, hardscape and asphalt work
- ▶ Available in five lengths from 4' to 12'
