

INSTRUCTIONS

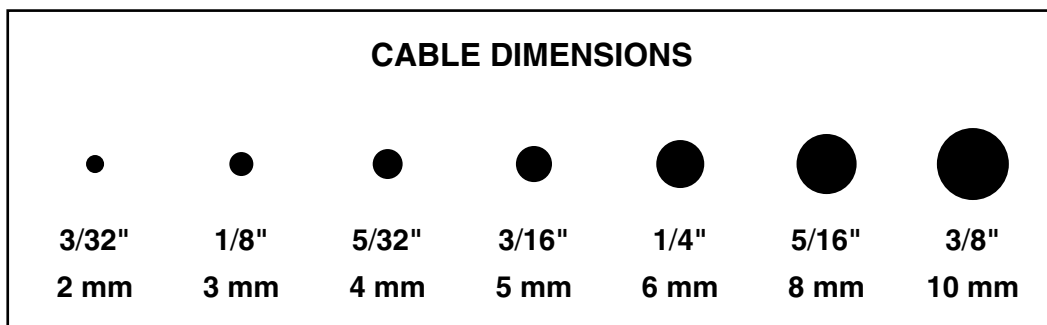

Davis Cable Covers

- Protect sails and sheets from chafe.
- Keep sails clean and prevent wear.
- Sheets pass more easily.
- Fit standard cable sizes.
- Made of tough, durable plastic with more ultraviolet absorber than other brands... last longer!

Cable covers are split for quick "snap-on." Spread end of cable cover and snap cover over cable. Cable covers are 6 ft. (1.8 m) long.

#251	Fits cable size 3/32"	(2 mm)
