

GENERAL®

ULTRATECH™
TOOL SYSTEM

GLASS MAGNIFIERS

For The Professional and Hobbyist

"It's your job . . .
General Tools make it easier"

IMPROVED PERFORMANCE: MORE FOR LESS!

General's NEWEST product is the latest addition to our *UltraTech*™ tool line . . .

A collection of Glass Magnifiers, featuring a Polished Optical Glass Lens, in a complete range of sizes. Upgrades include our comfortable Versa-Grip™ handle and new blister card packaging. You will be pleased to know we are offering this new line at a lower cost than our previous magnifiers.

With the new *UltraTech*™ Glass Magnifiers, General is truly giving you improved performance for less!
