WARNING:
TO AVOID RISK OF ELECTRICAL SHOCK
TURN OFF OR DISCONNECT FROM POWER
WHILE INSTALLING OR SERVICING UNIT

Assembly & Installation: GT-504-A | 1200 Lumen Portable LED Work Light

TO ASSEMBLE:

1. Attach Support Frame (H) to H-Stand Base (J) using Base Star Knob (I).
2. Tighten Side Star Knobs (G) and Base Star Knob (I) in the position shown.

TO USE:

1. Place H-Stand (J) on a sturdy surface.
2. Slightly loosen (do not unscrew completely) Side Star Knobs (G).
3. Tilt light face (E) up or down to the desired angle.
4. Tighten Side Star Knobs (G).
5. Slightly loosen (do not unscrew completely) Base Knob (I).
6. Swivel Support Frame (H) side to side for best position.
7. Tighten Base Knob (I).
8. Plug power cord (K) into outlet.
9. Press the On switch (F) on the back to operate lamp.
10. Press the Off Switch (F) on the back to turn light off.
11. Store in a cool dry place.

EYES  - Do not look directly at the LED lights for any length of time.
- Do not remove protective lens covering LED lights.

This product is guaranteed against failure due to factory defects in materials or workmanship for one (1) year from the date of purchase. This warranty is non-transferable and applies only to the original owner. Proof of purchase required for repair or replacement. This warranty does not cover normal wear of parts or damage resulting from any misuse of the product (i.e. using in extreme weather conditions), or alterations made to product.
