

#8050-53 AIR COMB® FILTER & RADIATOR CLEANER

90° Multi-Port Air Gun

A surprisingly powerful, multi-port nozzle maximizes air pressure and volume at a 90° angle. It thoroughly cleans air filters from the inside out and blows debris from condensers, radiators and more.

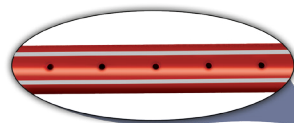

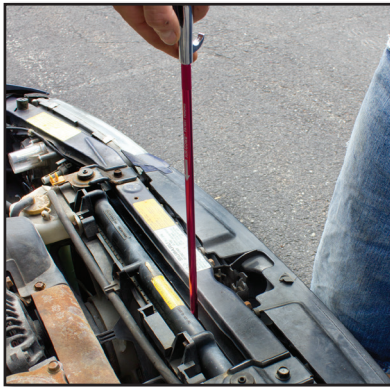

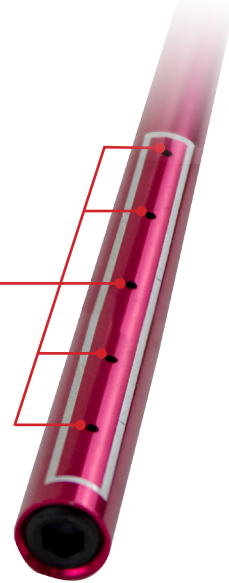

Features and Benefits

- Great for all air filters, radiators and condensers
- Flush design
- Powerful 90° air flow
- Focused, high-pressure output
- Does not punch holes in air filters
- 5X the air volume
- Accesses hard-to-reach areas
- Extends filter life
- OSHA safe
