HEATWORX® REINFORCED

Ironclad's patent pending Hotshield® palm technology combines high dexterity with heat, cut, abrasion and shrink resistance. Add that to oil repellency and washability and you have a glove that truly does it all.

Kevlar® Inner Liner
For heat and cut resistance.

Hotshield® Reinforcements
Reinforced in critical areas for maximum durability.

Kevlar® Blended Shell & Stitching
For durability and protection in high heat environments.

Patented Palm Design
Excellent dexterity and durability.

Ironclad Hotshield® Technology
Heat resistance without sacrificing dexterity.

Breathable, Flexible & 100% Machine Washable
For comfort and convenience.

ADDITIONAL FEATURES

Extended gauntlet cuff for added protection and comfort

BEST USES

Fabrication, Metal Working, Manufacturing & Assembly, Hi-Temp Automotive Work, Welding

HW4-02-S HW4-03-M HW4-04-L HW4-05-XL HW4-06-XXL
