

17" DRILL PRESS

716300

Introducing the new JET JDP-17, 17" Drill Press. From a full 5" of spindle travel to the sturdy cast iron head with a poly v-belt drive system, this drill press is designed to perform. This drill press also features a long-lasting, built-in LED work light to provide direct lighting while reducing shadows. A large 14" x 19" work table provides plenty of support with an edge designed for easy clamping.

FEATURES

- Spindle travels a full 5" with one revolution of the handle
- Large 14" x 19" precision ground work table features twin T-slot grooves and 4 table slots to accommodate any project
- One-handed belt tensioning allows for rapid speed changes
- Power switch features a safety key and large, paddle-style off button
- Integrated depth stop makes repetitive drilling quick and easy
- Xacta-X laser system easily identifies the drill center
- Long-lasting, built-in LED work light reduces shadows
- Table edge lip designed to make clamping easy
- Replaceable MDF table insert
- Large cast iron base provides stability
- Powered by an efficient 3/4HP, 1Ph, 115V TEFC motor and poly-v belt drive system
- CSA Certified

17" DRILL PRESS
