- Prevents hard primer/groundcoat edges
- Dramatic time savings
- Premium adhesive leaving no residue
- Easily removable
- Simple & easy to use
- One step process

Prime & Paint Foam Masking Tape

HOW TO USE THIS PRODUCT:

1. Attach the product to the moving part by just hiding the adhesive.

2. Adjust the product back into the gap so that the small piece without the adhesive is sitting on the panel.

3. Prime the panel and then pull the outer piece away from the panel to expose the unprimed material below.

4. Remove the outer piece tearing along the length.

5. Adjust the material back into the gap ready for painting.

6. Paint as per normal.
