UNITS PER CASE 8

TYPE / DELIVERY SYSTEM

Roll Box Pop-Up™ Box

Product Overview & Guides

When you have tough jobs to tackle, you can trust Scott® Rags in a Box, All-Purpose. These white disposable towels are made of cellulose fibers with a latex binder for thickness, absorbency, and strength. They are suitable for business projects, major home improvement projects, and general business cleaning and housekeeping (not recommended for direct contact with food products). The cardboard container has built-in handle holes to assist with portability and the pop-up hole in the center allows continuous access to individual wipes. Industrial wipes are non-woven disposable rags consisting of wood pulp, synthetic fibers, or a blend, and reinforced with a binder. They are used to wipe small quantities of solvents or other liquid from your hand, tools, equipment, or other surfaces.

8 boxes of 200

Box of rags contains absorbent towels that feel and perform like a cloth

Strong, durable, and multi-purpose for thousands of projects like painting, polishing, detailing, spill clean up, staining, polishing and refinishing furniture

Designed for wet or dry cleaning applications

POP-UP Box (box of rags) with built-in handle allows you to take the product to the job while keeping rags clean

About Scott®

Very few locations within a facility impact satisfaction as much as the restroom. A negative experience can have a truly damaging effect on your reputation. Scott®, one of the world's most recognized restroom brands, offers solutions designed to help you increase productivity, enhance your image, and improve employee, patient and guest satisfaction.
