

## Circuit Tester

Tests circuits rated from 80 to 600 volts AC/DC. The high-impact, sealed 5-11/16" (144 mm) probes on long 24" (610 mm) leads are convenient for testing motors, fuses, relays, switches, etc. A professional grade electrical tester with the quality you expect from Klein Tools.

## Specifications

**Overall Length:** 35" (88.9 cm)

**Voltage:** 80 to 600 AC/DC

**Lead Length:** 25" (63.5 cm)

**Weight:** 2.4 oz (69 g)
