DURABLE REINFORCED NYLON HANDLE

PRO FOLDING HEX KEY SET

Klein Tools' new Pro Folding Hex Key set features a high leverage, 4-inch long 1/2" key. The heavy-duty 11-piece set conveniently consolidates two sets into one. Industrial strength, extended-reach blades open independently up to 270-Degrees, and the precision-fit design reduces slippage and stripping. The durable handle is made of reinforced nylon with a comfortable grip. The heavy-duty Pro Folding Hex Key set is built specifically for a rigorous job site.

Square-cut ends for a secure, full-depth fit to prevent slippage and stripping

High-leverage blades open independently up to 270-Degrees
