

8 in. Diagonal-Cutting Pliers

D2488

Klein specializes in the making of the world's finest pliers...pliers that professionals trust completely. Klein pliers feel right and work right. They are job-matched for every kind of work you do; designed and built to exceptional quality standards in a tradition that dates back to 1857.

Angled head design
for easy work in
confined spaces.

- Short jaws and beveled cutting edges permit close cutting of wire.
- Hot-riveted joint ensures smooth action and no handle wobble.
- Rivet is closer to the cutting edge for more cutting power.
- Induction hardened cutting knives for long life.
- Plastic dipped handles for comfort and ease of identification.
