NEWLY REDESIGNED LINEMAN WRENCHES

Four of Klein's Lineman Wrenches have been redesigned to improve durability. The new models feature fully integrated handles and a non-slip grip for comfort.

- Two 6-in-1 models feature six sizes in one tool (KT155T and KT155HD)
- Two models feature four sizes in one tool and tether holes for securing the tool (KT151T and KT152T)

Fully Integrated Handle
for durability and
non-slip grip for comfort

Tether Hole (KT152T, KT151T)
for safety when working at height

Smaller Gear Teeth
for optimal use (shorter throws)
In tighter spaces (KT155HD, KT151T)
