## Air Hose Reel Parts and Technical Service Guide

L8550

L8560

1	Handle Assembly
3	Washer
6	3' Inlet Hose Assembly
7	Swivel Assembly

### Assembly

Note: When assembling the added parts use teflon tape to insure that the threads do not leak under pressure.

- Place handle (1) through hole provided on the crank (2), making sure to line up the flat surfaces. Apply washer (3) and screw nut (4) to handle and tighten.
- The reel need not be mounted in an upright position. Fix base (5) to location using the four holes.
- Apply teflon tape to the male threads of inlet hose (6a) and attach inlet hose to air compressor.
- Apply teflon tape to the male threads of the inlet hose (6b) and attach to swivel (7).
- Apply teflon tape to the male threads of the swivel assembly (7) and install into the female end (8) of the reels axle. Threads are right-handed and care should be taken not to over tighten.

Ref #	Legacy #	Description	Specifications
1,2,3,4	RP004060	Handle	N/A
6	RP004064	Inlet Hose: 3/8" ID x 5' PVC (Models L8550 & L8560)	300 PSI / 20 BAR

	RP004063	Air Hose: 3/8" ID x 100' PVC (Model L8560)	300 PSI / 20 BAR

### SAFETY PRECAUTIONS: READ ALL INSTRUCTIONS BEFORE USING THIS TOOL

- Keep work area clean. Cluttered areas invite injuries.
- Consider work area conditions. Don't assemble in damp, wet, or poorly lit locations. Don't expose to rain. Keep work area well lit.
- Keep children away. All children should be kept away from the work area.
- Use the right tool. Don't force a small tool or attachment to do the work of a larger tool. Don't use a tool for a purpose for which it was not intended.
- Use eye protection. Use goggles that are ANSI approved against impacts and shattering.
- Stay alert. Watch what you are doing, use common sense. Don't assemble when you are tired.
- Replacement parts and accessories. When servicing, use only identical replacement parts. Only use accessories intended for use with this tool. Approved accessories are available from Legacy's authorized service centers.

**WARNING:** This product contains one or more chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. Wash hands after handling.
