

## WARRANTY

### LEVER GEAR PRODUCTS

Any Lever Gear branded product should last you a lifetime. This belief is ingrained in our DNA and part of our mission statement. That's why you won't see an excessive amount of words describing our warranty or how we can get out of replacing a product that did not perform as we designed it. We guarantee that your product will be free of manufacturer's defects and will not fail on you. If you find otherwise, let us know and we'll replace it for you. This warranty does not cover surface scratches, blade dulling or normal wear and tear.

Due to their unique and unalterable nature, customized products are not eligible for the 60-day money back guarantee. Please read all guidelines regarding personalization and check your personalized message or artwork carefully before submitting. *Personalized items may be replaced due to manufacturer defects according to the warranty for that particular product.*
