

PARK RIGHT® GARAGE LASER PARK

Single Model# 37310

Dual Model #37312

Park Perfectly Every Time!

No more damage to your car or garage.

Stop denting and scratching your car! Navigate tight garages with the help of our PARK RIGHT® Garage Laser Park. This hi-tech product helps prevent damage to your car or garage by guiding you to the same spot every time you park.

EASY TO USE

The lasers activate automatically when they detect motion. When the lasers shine on a predetermined spot on your car, you'll know you're in the right spot. All you need to do is pull into your garage! You will park perfectly every time!

PERFECT FOR ANY SIZE GARAGE

Use our Single Garage Laser Park for one car garages and our Dual Garage Laser Park for two car garages.

PROTECT YOUR POSSESSIONS

Do you store lawn furniture, bikes or excess possessions in your garage? Have a refrigerator there? No more worries about damaging your things when parking the car.

NON-INTRUSIVE

Unlike other parking aids, the Garage Laser Park doesn't dangle from the ceiling or protrude into your space.

INCLUDES

- Dual Laser Park Module
- 1 AC Adapter
- Mounting Hardware - Mounting Bracket, Screws, Double Sided Tape
- User Guide
- 90 Day Warranty

WHY IS THIS USEFUL TO ME?

- Helps prevent damage to your car and garage.
- Park confidently every time.
- Automatically activates when your vehicle enters the garage.
- Easy to install. Mount and plug in.

EASY INSTALLATION

- Included mounting bracket can be attached to the garage ceiling using either screws or double sided tape.
- Laser module just clips into the mounting bracket.
- Simply plug in.
