The Pros Know

Divided into two sections, this catalog lists the full breadth of MayheWPro (black-tabbed pages) and MayheWSelect (red-tabbed pages) products. Within each section, our high-quality tools are categorized by the following:

## Pro Line

- Dominator
- Hard Cap
- 150
- Chisels
- Punches
- Pry Bars
- Scrapers
- Specialty
- Pneumatic
- Sets and Kits

## Select Line

- Chisels
- Punches
- Pry Bars
- Scrapers
- Hand Guarded
- Picks, Awls, Hooks, Other
- Specialty
- Pneumatic
- Inspection
- Sets and Kits

# The Dominator®

Go Ahead and Whack It!

Dominator tools mean business. With a hardened and tempered steel shaft extending through the handle and strikeable capped end, Dominator delivers the prying power and force you need to take on the toughest jobs.

## Some Jobs are Tough; These Tools are Tougher

Dominator is the workhorse of the MayhewPro™ series. Uniquely designed for unparalleled strength and durability, this exclusive collection of professional-grade capped end pry bars and specialty tools stands up to punishment just as easily as it dishes it out.

- Capped end is in direct contact with the shaft and allows the user to strike the tool without damaging the handle
- Patented two-composite handle is ergonomically designed, providing superior comfort and grip

- Hardened, tempered-steel shaft runs from the cutting edge through the handle, delivering maximum durability and prying power

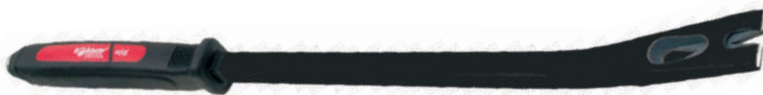

## Pry Bars

- Used for lifting and prying
- Available in both curved and straight blade styles
- Ergonomically designed handle with a capped end that is forged through the handle for unparalleled strength and durability
- Heat treated along the entire length of the steel
- Black oxide finish for additional rust protection
- Made in the USA

## Carbon Scrapers – Angled

- U.S. Patent No. D594720
- Used for a multitude of applications, such as removing gaskets, rust, paint, carbon buildup, and floor tile
- Blades are ground for a sharp edge and can be resharpened after heavy use to return the cutting edge to sharpness
- Blade is offset for hand clearance and better scraping force in hard-to-reach places
- Capped end in direct contact with the tempered steel shaft
- Patented, two-composite ergonomically designed handle provides a comfortable and secure grip
- Black oxide finish for additional rust protection
- Made in the USA with U.S. and global components

# Leverage Your Time Right... Now

This isn't about casual tinkering or an occasional repair. Professionals depend on their tools to work properly each and every time they pick them up—anything less than that amounts to lost time and revenue. The MayhewPro™ series is for the men and women who understand and depend on effectiveness, reliability, and durability for their livelihood. Backed by a lifetime warranty and more than 150 years of manufacturing experience, MayhewPro professional-grade tools are designed for unmatched, unwavering performance, ensuring you always have what you need to get the job done.

Mayhew's plated rolling head and alignment pry bars feature two work ends that are preferred during vehicle assembly, disassembly and adjustment operations. Ideal for prying, positioning, lifting and aligning applications that need greater leverage. When the job is done these specialty plated pry bars are easy to clean and ready for the next heavy duty project. While perfect for the automotive mechanic, Mayhew's plated bars are also ideally suited for agriculture, mining, industrial MRO, construction, oil and gas, rigging operations and more. USA made, professional grade, lifetime warranty. Available in open stock and in three piece assorted sets.

## Deck Wrecker

- Mayhew's specialty demolition tool, the Deck Wrecker, is used to rip up boards of any decking material used in the construction of decks and other similar structures
- The double prying head fits over a double or single joist for maximum leverage
- Available in a powder-coated finish
- Made in the USA

Item	Description	UPC Code	OAL	Body Size	Body Type	Blade Width	Blade Style	Weight (Lbs)	Pkg. Type
41104	Deck Wrecker	0 45256 41104 0	45-1/2	0	Round	0	N/A	8.70	Bulk
41105	Deck Wrecker w/Indexing Head	0 45256 41105 0	33-1/2	1"	Round	0	N/A	8.70	Bulk

**Indexing head provides leverage at any angle**

Push in the Button & Choose the Angle Needed to Get the Job DONE!

- Easy to adjust indexing feature works with the touch of a button
- Adjusting the head angle provides the most leverage and comfortable working position
- Designed for removing decking and general deconstruction
- Made from forged alloy steel
- Reverse the indexing head to remove nails with the nail puller.

## Screwdriver-Style Pry Bars

- Used for prying and lifting
- Available in both a curved and straight blade style
- Variable lengths available for work in hard-to-reach locations
- Durable acetate handle provides a more comfortable and secure grip
- Black oxide finish for additional rust protection
- Made in the USA

## Pilot® or Roll Pin Punches

- Original Mayhew patented design with a rounded end that fits snugly within a roll pin
- Also known as a roll pin punch
- Used to drive in and remove roll pins or other hollow tension pins
- Variable point sizes available for variable radius sizes for all pin configurations
- Available in fractional or metric sizes
- Made in the USA

- Used to drive out and remove already loosened pins and keys after initial movement by a solid punch
- Variable point sizes and lengths for different applications
- Not for use on seized pins and keys; loosen with a solid punch first
- Available in fractional and metric sizes
- Available in black oxide finish for additional rust protection
- Made in the USA

Non marring, non sparking USA brass punches and scrapers now offered in an improved smooth polished finish with a double knurled feature for more effective use. Whether the job requires a limited or the widest range of brass tools, Mayhew is the only professional solution to provide the requisite number of tools, within spec and with packaging that withstands typical harsh workplace environments.

Designed to remove gaskets and softer material where there is a concern of damaging the surface or causing sparks.

## Brass Scraper

ITEM	DESCRIPTION	UPC	WEIGHT	LENGTH	WIDTH	BODY SIZE	CUT WIDTH	COO
10655	BRASS SCRAPER 3/8-10mm X 5-1/2	045256106557	0.22	5.5	N/A	.375	3/8"	US
10657	BRASS SCRAPER 1/2-13mm X 6	045256106571	.43	6	N/A	.500	1/2"	US
10658	BRASS SCRAPER 5/8-16mm X 6-1/2	045256106588	.79	6.5	N/A	.625	5/8"	US

Non marring, non sparking USA brass punches and scrapers now offered in an improved smooth polished finish with a double knurled feature for more effective use. Whether the job requires a limited or the widest range of brass tools, Mayhew is the only professional solution to provide the requisite number of tools, within spec and with packaging that withstands typical harsh workplace environments.

Used to transfer the force of a hammer blow to a specific location to remove or loosen a part or pin.

## Brass Drift Punch

ITEM	DESCRIPTION	UPC	WEIGHT	LENGTH	WIDTH	BODY SIZE	TIP WIDTH	COO
25074	PUNCH DRIFT 1/4-6mm X 4	045256250748	0.07	4	N/A	.250	1/4" & 6mm	US
25077	PUNCH DRIFT 3/8-10mm X 6	045256250779	0.24	6	N/A	.375	3/8" & 10mm	US
25076	PUNCH DRIFT 1/2-13mm X 7	045256250762	0.50	7	N/A	.500	1/2" & 13mm	US
25073	PUNCH DRIFT 5/8-16mm X 8	045256250731	0.97	8	N/A	.625	5/8" & 16mm	US
25075	PUNCH DRIFT 3/4-19mm X 8	045256250755	1.40	8	N/A	.750	3/4" & 19mm	US
25078	PUNCH DRIFT 3/4-19mm X 12	045256250786	2.10	12	N/A	.750	3/4" & 19mm	US

Designed for aligning holes or parts in which rivets, pins, or bolts are inserted. By inserting the tapered end into semi-aligned holes, the punch can then be driven through the holes for perfect alignment.

## Brass Line Up Punch

ITEM	DESCRIPTION	UPC	WEIGHT	LENGTH	BODY SIZE	TAPER LENGTH	TIP WIDTH	COO
25081	PUNCH LINE UP 11/32-9mm X 10	045256250816	1.75	10	.750	5.25	11/32" & 9mm	US
25095	PUNCH LINE UP 3/8-10mm X 10	045256250953	1.75	10	.750	5.25	3/8" & 10mm	US
25096	PUNCH LINE UP 7/16-11mm X 14	045256250809	2.45	14	.750	7.875	7/16" & 11mm	US

Originally invented by Mayhew. Also known as a rollpin punch. Designed for the small ball in the center of the pin tip to support the outer edge of the roll pin. Regular pin punches should not be used on roll or spring pins.

# Professional Hose Clamp Pliers with Flexible Cable

## 28690 - Rigiflex Pliers

Replaces 28630

Flexes and holds to  
any desired position

Multi-stop  
Jaw-Piece  
Lock

Easy to  
replace cable

## 28680 - Hose Clamp Pliers

Replaces 28650

- Unique Jaw design fits clamps up to 2" (51mm)
- Extra-heavy duty 5/64" (2mm) cable
- Bi-material grips with snap feature
- Easy to replace cable

## 45680 - Hose Clamp Pliers

Replaces 45650

If you want to replace this, please ask for repair kit  
with complete instructions: 28682

## Pneumatic Punches, Chisels, & Hammers

- Used with a pneumatic tool
- Available in standard and heavy-duty shank sizes, in multiple sizes, and points
- Black oxide finish for additional rust protection
- Made in the USA

# From the Seasoned Pros to the Regular Joes

Just because it's not what you do for a living doesn't mean you don't want professional quality tools. From the car enthusiasts who take repair as seriously as the professional to the home improvement folks with a new deck under way, the MayhewSelect series offers high-quality tools that allow you to perform mechanical and tradesman-specific work as well as the men and women who do it for a living. Backed by the same experience and insights that have made Mayhew the professionals' choice for more than 150 years, as well as a two-year quality warranty on every tool, MayhewSelect turns weekend projects into weekend passions.

**MAYHEW SELECT™**

Since 1856

Know What The Pros Know

## Brick & Mason Chisels

- Used in a multitude of masonry applications, from brick to stone to concrete
- Allows for specific cuts, sizes, and scores. Different cutting-edge lengths provide the perfect sized tool for the perfect finished look
- Shot-blasted finish
- Made in the USA

Item	Description	UPC Code	OAL	Body Size	Body Type	Blade Width	Blade Style	Weight (Lbs)	Pkg. Type

## Bull Point Chisel

- Used to break up and demolish concrete
- Used where an air chisel is impractical
- Shot-blasted finish
- Made in the USA

Item	Description	UPC Code	OAL	Body Size	Body Type	Blade Width	Blade Style	Weight (Lbs)	Pkg. Type
30100	3/4" X 12" Reg Bull Point	0 45256 30100 6	12	3/4	Hex	5/16	N/A	1.55	Bulk

## Clapboard Chisel

- Used to remove siding for access to wall cavities and trimming wood; also used to pull tongue and groove materials together
- Extra-long handle allows better leverage when cutting and trimming wood
- Shot-blasted finish
- Made in the USA

Item	Description	UPC Code	OAL	Body Size	Body Type	Blade Width	Blade Style	Weight (Lbs)	Pkg. Type
12312	18" Clapboard Chisel 2" Cut	0 45256 12312 7	18	5/8	Hex	2	N/A	1.30	Bulk

## Floor Chisel

- Used to cut and trim wood and to pull tongue and groove materials together
- Thin blade allows for access to tight spaces
- Shot-blasted finish
- Made in the USA

Item	Description	UPC Code	OAL	Body Size	Body Type	Blade Width	Blade Style	Weight (Lbs)	Pkg. Type

# THE PROS KNOW

Quality. Dependability. Confidence. When the caliber of the tools is just as important as the skills of the professionals employed, businesses trust Mayhew to get the job done. Since 1856, our punches, chisels, and pry bars have been the go-to tools for OEMs and professional mechanics throughout the country. And while our company has grown to meet the needs of the professional market, as well as those of the do-it-yourself automotive enthusiast, our focus has never changed—leveraging our strength to build your business.

*Since 1856*

Since 1856

MayheW Warranty

**MayheWPro:**

If this MayheW hand tool ever fails to provide complete satisfaction, it will be replaced free of charge. Return product to original retailer for replacement.

**MayheWSelect:**

FOR TWO YEARS from the date of purchase, if this MayheWSelect hand tool ever fails to provide complete satisfaction, it will be replaced free of charge. Return product to original retailer with proof of purchase for replacement.

**Exclusions**

*Warranties do not cover cables and cable assemblies, brass, hollow punches, lights, or batteries, which are expendable parts that can wear out from normal use within the warranty period.*

67001 3 PC BRASS SCRAPER SET

#67001

#61397

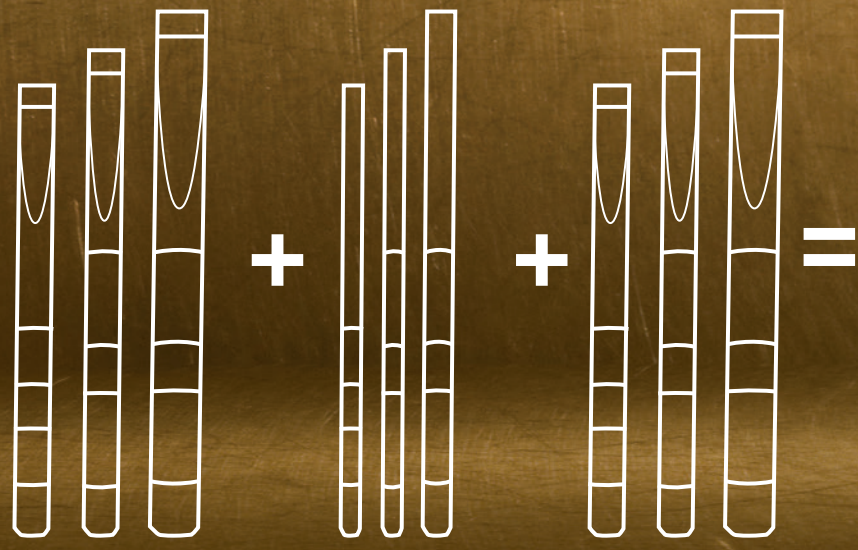

# BUILDING A COMPLETE BRASS TOOL SET NOW IS MADE EASY WITH MAYHEW.

#67012

Non marring, non sparking USA brass punches and scrapers now offered in an improved smooth polished finish with a double knurled feature for more effective use. Whether the job requires a limited or the widest range of brass tools, Mayhew is the only professional solution to provide the requisite number of tools, within spec and with packaging that withstands typical harsh workplace environments.

- New Anti-slip material
- Hook and Loop fastening system
- Tool protection flaps
- Secure tool pockets

Buy your first set now

Add another set later

And add another later

The widest range of USA made brass punches, chisels and scrapers. Multiple assortments to choose from. We now offer the opportunity to build a complete master assortment without duplication, one set at a time. All SKUs marked "Build A Set," when purchased in total, offer Mayhew's most comprehensive, unique brass assortment.

## Hooks and Picks

Available in a range of sizes from short miniature to heavy duty and extra-long. Each different length, shape and bend angle was specifically designed for ease of access into tight or unique spaces, providing leverage in close quarters, positioning or retrieval of parts and easily maneuver around obstacles that otherwise would be trouble-some.

Item	Description	Expose Length	Handle Length	Weight	Length	Width	Height

## Marking and Hole Making

**Scribe:** Metalworking tool used like a pencil to mark crisp, sharp, accurate lines on work pieces.

**Awl:** Used to puncture holes or enlarge existing holes in a variety of materials such as leather, canvas or wood.

**Scratch Awl** is the combination of the scribe and awl. Although traditionally used to trace patterns onto leather, it is commonly used for woodworking layout and making tool.

Item	Description	Expose Length	Handle Length	Weight	Length	Width	Height
46501	PICK-STUBBY SCRATCH AWL PRO	4"	2-7/32"	0.15	6-7/32"	1-5/16"	1-13/32"
13220	PICK-SCRATCH AWL PRO	4"	4-3/4"	0.23	8-3/4"	1-7/16"	1-3/8"
13221	PICK-SCRIBE PRO	4"	4-3/4"	0.24	8-3/4"	1-7/16"	1-3/8"
13222	PICK-AWL PRO	4"	4-3/4"	0.24	8-3/4"	1-7/16"	1-3/8"

## O-Ring Picks

Uniquely bent tip allows for quick and easy removal of O-Rings, springs and spacers in tight or confined spaces. Also great for adjusting, positioning and retrieving small parts or wires.

Item	Description	Expose Length	Handle Length	Weight	Length	Width	Height
13204	PICK-MINI COMPOUND BEND PRO	3"	3-1/4"	0.07	6-1/4"	15/16"	15/16"

13238	PICK-LONG COMPOUND BEND PRO	10"	4-3/4"	0.32	14-3/4"	1-7/16"	1-3/8"

## Trim Tools

Used to quickly lift and extract door panel and molding rivet fasteners without damage.

Especially good for upholstery and picture framing, the sharp, V-slot chisel tip of the Tack Puller slips under staples, tacks and brads, loosening and removing them with ease.

Item	Description	Expose Length	Handle Length	Weight	Length	Width	Height

## Professional Grade Plated Bars

MAYHEW PRO  
Know What The Pros Know

### 3 Pc. Plated Rolling Head Pry Bar Set

CONTENTS: 1/2" x 12", 5/8" x 16", 3/4" x 21" ROUND STOCK

Made from high quality alloy steel.  
Hardened and tempered entire length for superior strength.  
Curved blade style gives extra leverage.  
Tapered end for aligning work.  
Conforms to ANSI & ASTM for steel standards, physical properties & testing.

Hecho de acero de alta calidad.  
Temperado y endurecido en toda su longitud para una resistencia superior.  
El estilo de hoja curva proporciona un mayor apalancamiento.  
El extremo afilado es ideal para trabajos de alineación.  
Cumple con los estándares ANSI y ASTM para propiedades físicas y las pruebas.

Mayhew's new rolling head and alignment pry bars feature two work ends that are preferred during vehicle assembly, disassembly and adjustment operations. Ideal for prying, positioning, lifting and aligning applications that need greater leverage. When the job is done these specialty plated pry bars are easy to clean and ready for the next heavy duty project. While perfect for the automotive mechanic, Mayhew's plated bars are also ideally suited for agriculture, mining, industrial MRO, construction, oil and gas, rigging operations and more. USA made, professional grade, lifetime warranty. Available in open stock and in three piece assorted sets.

# SureForce Bar Clamps

**MORE FORCE,  
LESS EFFORT**

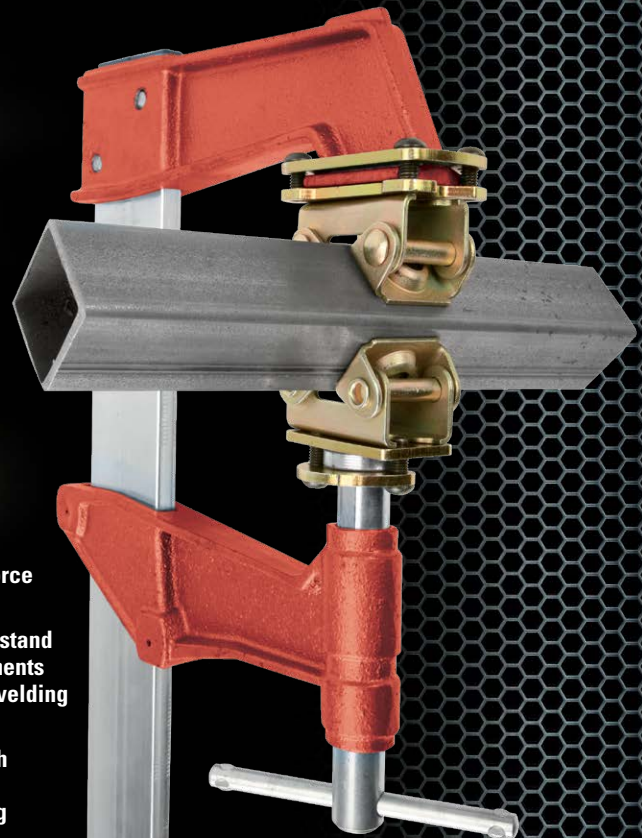

**The Pros Know**

**EXCEPTIONAL  
RELIABLE  
TOUGH**

The essence of an  
American legacy

- More powerful clamping force with less effort
- Totally sealed threads withstand high impact work environments including dust, oxidation, welding spatter
- Serrated steel bar with high resistance braking system ensures precision clamping
- Cast iron jaws and easily adaptable magnetic jaw set provide a secure grip for round, square or flat metal surfaces

46122 - SureForce  
Ultralight 2700

# SureForce Bar Clamps

## SureForce Clamps

Designed for use in aggressive environments  
 (welding spatter, dust, & rust)  
 MAX FORCE = 1,800-4,800 lbs (800-2,200kg).

Ball bearing mechanism  
 to avoid friction

Completely sealed  
 clamp threads

Enclosed piston

Cold drawn  
 steel bar

Cast iron throat

T-handle for better  
 clamping force

46004 - SureForce 1800

Serrated bar with  
 high resistant  
 breaking system

## SureForce Ultralight Clamps

30%-50% less weight with same clamping force  
 MAX FORCE = 1,800-4,800 lbs (800-2,200kg).

Serrated bar with  
 high resistant  
 breaking system

Alloy steel bar

## CORPORATE OVERVIEW

Mayhew Tools is a dynamic, innovative Massachusetts based manufacturer with an established 160-year foundation and an unwavering commitment to quality. Reflecting the spirit of America, Mayhew's tools are rugged, dependable, and uniquely positioned to stand the test of time. Known for true craftsmanship, Mayhew forges the best tools from the finest materials.

# COMPANY OVERVIEW

Founded in 1856, Mayhew Steel Products, Inc. (Mayhew Tools) is the oldest punch and chisel manufacturer in the United States. Growing from a small tool house to an industry leader, there's only one thing that hasn't changed about the company —their dedication to quality, reliability, and craftsmanship.

Serving Industrial, Automotive, and Hardware industries, Mayhew's physical size and product line have grown exponentially over the last 160 years, becoming the tools of choice for certified technicians and professional mechanics, and some have even found their way into the belts of do-it-yourselfers across the country. Mayhew Tools, from the very beginning, has maintained an unwavering passion for manufacturing quality hand tools and has done so without losing site of their heritage.

Mayhew Tools' corporate office and 100,000 square foot warehouse and manufacturing facilities lie in the heart of the original tool country—Western Massachusetts, where they control all functions from raw material receiving to final tool inspection and packaging.

The company recently introduced two new distinct product lines (MayhewPro™ and MayhewSelect™) geared specifically for hardworking customers—both the professional and occasional user that wants to know what the Pros know. Mayhew is ISO 9001:2015 Certified.

## *Understanding the Mayhew Difference*

*"There's an old saying that goes, "a poor workman blames his tools." With Mayhew, our tools complement and meet the high standards of skilled professionals. From the very beginning, Mayhew has understood that when your livelihood depends on the quality of your tools, "good enough" simply isn't good enough. Since 1856, we've made tools that reflect the character of the men and women who use them."*

-John Lawless  
President, Mayhew Tools

# LEADERSHIP TEAM

# MAYHEW™

Since 1856

## ***John Lawless, President***

John Lawless has served as President of Mayhew Tools for more than 35 years, continuously leading the company's expansive product portfolio and overseeing corporate growth. He holds a B.S. from University of Idaho.

## ***Bill Lawless, President, Deerfield Packaging***

Bill Lawless has served as President of Deerfield Packaging for more than 35 years. Deerfield Packaging is the operational arm responsible for manufacturing and shipping all of Mayhew's parts and tools.

## ***Bill Crooker, Operations Manager***

Crooker has been with Mayhew for more than a decade. Previous to coming to Mayhew, he was a plant manager for a manufacturing company in Vermont for 10 years. He has a B.S. in mechanical engineering from UMass Dartmouth.

## ***Larry Geiser, General Manager***

Geiser has been with the company for more than a decade. Prior to joining Mayhew, he served several years as VP of Finance for New England Extrusion and VP of Finance and Administration for Quabaug Corp. He holds a B.S. from Grove City College.

## ***Lisa DeLisle, Director of Human Resources***

DeLisle (PHR, SHRM-CP) has lead the Human Resource department for the past 5 years. With more than two decades of Human Resource expertise, she has also served in HR roles for CRC Health Group and Aspen Education Group before joining Mayhew Tools.

## ***Eric Mills, Vice President Sales & Marketing***

Mills rejoined Mayhew in May 2017, after previously having served as VP Sales & Marketing. His more than 20 years of Sales & Marketing expertise has included serving as the VP & General Manager for Tractel, Ltd.; VP of Sales & Marketing for Guardair Corporation; and Director of Sales for Streamlight, Inc. Mills holds a B.S. from Westfield State College.

# INDUSTRIES SERVED

# MAYHEW™

Since 1856

## AUTOMOTIVE

Professional automotive mechanics count on the strength, durability, and performance of Mayhew Tools. That same quality and craftsmanship is available for the do-it-yourself market. Home mechanics can get the same high-grade tools the pros use without the high-end expense.

Automotive tools include:

- Dominator Pry Bars
- Punches and Chisels
- Tie Rod Tool
- Hose Clamp Pliers
- Hooks/Picks/Scrapers

Hardware and construction tools include:

- Nail Pullers
- Pry Bars
- The Deck
- Capped End Screwdrivers

## HARDWARE & CONSTRUCTION

It's good to have the right tool for the job and even better to have a tool that does the job more efficiently and is built to last. Whether you're a professional or a do-it-yourselfer, Mayhew provides tools that simplify deconstruction tasks you face during the rebuilding process.

## INDUSTRIAL & MRO

Mayhew is dedicated to keeping operations running smoothly, whether in the bays of an auto repair business or the busy floor of a machine shop. The rugged industrial tools are sold individually, as sets, and carded, providing exactly what you need in a way that makes sense for your business.

Professional industrial tools include:

- Dominator Pry Bars
- Punch and Chisel Sets
- Brass, Extractors & Pneumatic Tools

# MAYHEW RACING

Mayhew Tools started to seed racing sponsorships in 2016 as a win-win strategy for not only getting their tools into the hands of automotive professionals, but they have also capitalized on increased brand awareness, while simultaneously building successful racing partnerships.

- ▶ In 2016, Mayhew kicked off what would become their first **Mayhew Racing** endeavor when they signed on as an associate sponsor to the Bob Garbarino-owned Mystic Missile NASCAR Whelen Modified Tour team for the 2016 season. And when the opportunity presented itself at the end of that successful season, Mayhew Tools stepped up as a primary sponsor to a championship team...
- ▶ Mayhew teamed up with Mike Smergilio from MSIII Racing and four-time NASCAR Whelen Modified Tour Champion, Doug Coby, as primary sponsor of the #2 car for the 2017 NASCAR Whelen Modified Tour.
- ▶ Mayhew Tools followed up the Doug Coby sponsorship announcement by signing on as an associate sponsor to Woody Pitkat's Modified Racing series, Tri-Track series, and The Modified Touring series – blanketing Mayhew's brand exposure across the modified series events.
- ▶ In July 2017, Mayhew Tools announced support for Bobby Pierce, driving the #63 truck in the in the NASCAR Camping World Truck Series at the famous Eldora Dirt Derby. This exclusive, one-time event not only capitalized on with an in-truck camera view, but was also featured in a live broadcast on FOX Business Network.
- ▶ Mayhew Tools showed no signs of slowing down in August 2017 when they forged a technical alliance with the United States Auto Club (USAC) Silver Crown Series and King of the Wing National Sprint Car Series racecar driver, Bobby Santos III.

## *Understanding the Mayhew Difference*

*"We have established a solid foundation of brand awareness within the auto racing industry in the Northeast and are looking forward to continuing to build upon that presence and strategy by partnering with different series and teams to increase Mayhew's exposure."*

*-Eric Mills  
VP Sales & Marketing, Mayhew Tools*

FOR IMMEDIATE RELEASE

## ***Mayhew Tools Recognized as ISO 9001:2015 Certified Company***

Turners Falls, MA August 28, 2017 - Mayhew Steel Products, Inc. (Mayhew Tools) announces their recent ISO 9001:2015 certification. ISO 9001 evaluates whether a company's Quality Management System in place is appropriate and effective, while assisting the organization to identify and implement improvements. ISO 9001:2015 is the most recent ISO 9001 standard, with "2015" referencing the year of the latest revision. Prior to, Mayhew Tools also attained their ISO 9001:2008 certification.

ISO develops and publishes more than 18,000 international standards. Continuous improvement assures that customers benefit by receiving products/services that meet their requirement, and that consistent performance is delivered. Mayhew Tools credits quality as one of the main contributors to their 160-year history, helping them grow from a small tool house to an industry leader. Mayhew tools are made in the USA, providing the company extensive control over all functions from raw material receiving to final tool inspection and packaging.

"Our company's commitment to quality has never wavered and as we continue to grow and develop new products it is imperative that we stay current to quality standards, and our ISO 9001 certifications are representative of that," shared John Lawless, President, Mayhew Tools. "We look forward to continuing to provide our customers with tools that were manufactured utilizing quality standards, reliability and craftsmanship."

### ***About Mayhew Tools***

Mayhew Steel Products (Mayhew Tools), founded in 1856, is an ISO 9001:2015-certified company and the oldest punch and chisel manufacturer in the United States. Headquartered in Turners Falls, MA, the company's transition from a small tool house to industry leader comes as a direct result of their dedication, quality, reliability, and craftsmanship.
