

Cut

Medium Duty

Professional heavy laborers told us what they needed... and we delivered.

- Intercept Technology® for 6 times more cut protection than standard leather gloves*
 - Stainless steel and Kevlar® fibres provide EN388 level 3 cut protection
 - Gel padding reduces vibrations and impacts. Foam nitrile for advanced grip in wet or dry conditions
 - Ergonomic and breathable: gloves stay on longer for more tasks
- *Results based on Ansell's internal results of the ActivArmr liner with Intercept Technology® vs. standard leather gloves (3/11).

Industries

- Mining
- Oil and gas

Applications

- Positioning
- Operating of heavy machinery
- Scaffolding
- Hydraulic set and testing
- Crushing and unloading ore
- Primary grinding
- Hydraulic repair
- Product inspection
- Conveyer and longwall maintenance
- General pumping work
- Handling of tools
- Valve - line maintenance and repair
- Handling jagged metal
- Equipment maintenance Scaffolding Pipe handling and insulation Plumbing and sand blasting
- Heavy machine operation
