

Sure-Fil Automated Filling System

- Works exclusively with Sure Shot® Sprayers.
- Lever control fills and pressurizes in seconds without removing the filler cap.
- Comes standard with special chemical resistant seals to handle almost any product.
- Top fill port eliminates leaking seals.
- Designed to fit on top of a 55 gallon drum.
- Heavy duty table available.
- Works with 5, 15, 30, and 55 gallon drums.
