**HSSE-TICN**  
# 404 780

8 x 45 mm

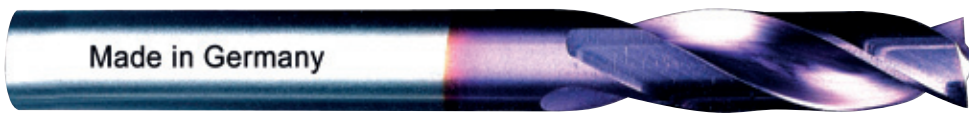

All Drill Bits are:

Made in Germany

6 x 70 ; 8 x 80 ; 10 x 90 mm

**HSSE**  
# 244 060  
# 244 008  
# 244 010

Made in Germany

**HSSE-TICN**  
# 244 806  
# 244 808  
# 244 210

### High quality standard HSSE (High Speed Steel Cobalt Alloyed)

Best standard Spotweld Drill available

### Double coated > HSSE-TICN (HSSE-Titanium Carbon Nitride)

PVD Titanium coating with a Carbon Nitride finish. Highest cutting speed. Used for interrupted cuts and has a long lifetime for best profitability.

Check out the collection of drilling and milling bits we offer.
