

PIG® Absorbent Mat Roll

MAT2600 Lightweight, 15" x 50', 6 rolls per box

PIG Absorbent Mat Rolls last 2x longer than ordinary mat rolls. They absorb everything and work everywhere.

- Last 2X longer than ordinary mat rolls, absorb everything and work everywhere; that's why more plants worldwide use PIG Mat than any other brand
- Multiple layers of 100% polypropylene are thermally bonded to make PIG Absorbent Mat Rolls the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave liquids or fiber residue behind
- Absorbs most common industrial liquids – oils, water, solvents, coolants and more
- Absorbed leaks and drips blend right in; dark gray color hides grime
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Ideal for wiping small areas and soaking up small drips and minor leaks
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Construction delivers greater durability and absorbency
- Mats take on the properties of absorbed liquids – always take proper precautions when handling saturated absorbents
