

PIG® Traffic Mat® Absorbent Rug

MAT280 Mediumweight, 36" x 150', 1 roll

Our most durable absorbent mat for areas with heavy foot, cart or forklift traffic.

- Wide mediumweight rolls are ideal for most messes, absorbing everyday spills, leaks and overspray around machines or in large areas
- Absorbent mat stands up to heavy foot, industrial vehicle, wheeled and forklift traffic in aisleways and walkways
- Cuts easily with scissors or utility knife
- Won't rip, tear or fray even when saturated; liquids absorb quickly for faster, easier cleanups and safer workplaces
- Absorbs most common industrial liquids - oils, coolants, solvents, water and more
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Mats take on the properties of absorbed liquids
 - always take proper precautions when handling saturated absorbents
