

## Instruction Manual

### NSP-4616B

US Patent 9,713,217

**THANK YOU FOR SELECTING THE NIGHTSTICK NSP-4616B!**

#### **SAVE THESE INSTRUCTIONS**

Please read these instructions before using this product. They include important safety and operation information.

#### **WARNINGS**

- NOT FOR USE ABOVE HAZARDOUS LOCATIONS
- DO NOT use in explosive atmospheres, near flammable liquids, or where explosion proof lamps are required.
- DO NOT use in the proximity of vehicles or equipment when there is a risk of flammable liquids coming into contact with the flashlight.
- DO NOT expose the batteries to water or salt water, or allow the batteries to get wet.
- DO NOT store the batteries with metallic objects that may cause a short circuit.
- Immediately discontinue use of the batteries if they emit an unusual smell, feel hot, change color, change shape or appear abnormal in any way.
- Keep out of the reach of children.

#### **INSTALLING BATTERIES**

- Unscrew the battery compartment door on the back of the headlamp.
- Insert the batteries per the outline inside the battery compartment. Observe the correct polarity of the batteries.
- Close the battery door and fasten the battery compartment door screw.
- The headlamp is now ready for use.

#### **OPERATION**

Two switches on the front of the headlamp control all functions.

##### **SPOTLIGHT SWITCH**

- First Press = spotlight high-brightness
- Second Press = spotlight low-brightness
- Third Press = off

##### **FLOODLIGHT SWITCH**

- First Press = floodlight high-brightness
- Second Press = floodlight low-brightness
- Third Press = off

##### **DUAL-LIGHT MODE**

- Press each switch one time to turn on both lights in high-brightness mode.
- To shut down Dual-Light mode, press each switch two more times until each light turns off.
