

Disposable
SOLVENT RECYCLING LINER BAGS

LINER BAGS protect distillation tanks and eliminate messy clean-up.

5 Gallon Liner Bag

Inserting bag into distillation tank.

Securing bag with retaining ring.

Collected dirty, gummy solvent debris ready for disposal.
(In accordance with local regulations.)

5 Gallon & 20 Gallon Liner Bags

Heat Resistant to 400°F

Solvent Recycler

Product Performance Benefits

- ◆ **Tough, durable bag construction**
- ◆ **Easy to use:**
 Follow solvent recycler manufacturer's directions for removal and disposal of liner bag. Then install new liner bag.
- ◆ **LINER BAGS are necessary:**
 Often the solvent debris remains wet and gummy after distillation. It does not dry hard. LINER BAGS protect the distillation tank, eliminate messy clean-up and enable fast, safe removal and disposal of solvent debris.
- ◆ **Heat resistant up to 400°F (204°C)**

Product Information

Part No.	Description	Units/Case
230	5 Gallon LINER BAG – 20”L x 20”W	10
231	5 Gallon LINER BAG – 24”L x 19”W	10
232	20 Gallon LINER BAG – 32”L x 28”W	5

No. 230 fits Uni-Ram and other 5-gallon solvent recyclers requiring 20”L x 20”W size bags.

No. 231 fits Sidewinder, Doumar and other 5-gallon solvent recyclers requiring 24”L x 19”W size bags.
