WARNING / CHARGING INSTRUCTION / BATTERY TIPS

- Avoid looking directly into the beam of light, as this will result in dazzling
- Do not use the lamp near a naked flame
- Before using the lamp for the first time, the battery must be fully charged
- The red charging indicator lights up during charging
- The green charging indicator lights up when charging is completed
- Recharge frequently
- Always replace the battery with an original SCANGRIP battery
- Do not leave the battery without charge for an extended period
 - Deep discharge risks damaging the battery
- The light source of this lamp is not replaceable; when the light source reaches its end of life the whole lamp shall be replaced

Discarded electrical products must not be disposed of together with household waste. Please use recycling facilities. Ask your local authority or retailer for advice on recycling.

- The battery must be removed from the device before it is broken up
- The device must be disconnected from the mains when the battery is removed
- Please dispose of the battery safely
