BATTERY TREATMENT / WARNING

- Always respect applicable legislation for working with electrical equipment in order to reduce the risk of accidents
- Avoid looking directly into the beam of light, as this will result in dazzling
- Do not use the lamp near a naked flame
- Protect the mains cable from oil, heat and sharp edges
- Always replace the battery with an original SCANGRIP battery
- Do not leave the battery without charge for an extended period. - Deep discharge risks damaging the battery.
- The light source of this luminaire is not replaceable; when the light source reaches its end of life the whole luminaire shall be replaced
- Luminaire is only suitable for direct mounting on non-combustible surfaces
- Charging indoor only

Discarded electrical products must not be disposed of together with household waste. Please use recycling facilities. Ask your local authority or retailer for advice on recycling.

- The battery must be removed from the device before it is broken up
- The device must be disconnected from the mains when the battery is removed
- Please dispose of the battery safely
