

SDS: Safety Data Sheet

P/N 61471

Description Silicone Tape, Black 1" X 20' (144/CASE

SECTION 1: Identification

CAS No Distributor: SEACHOICE PRODUCTS

-

Name Silicone Tape

Formula

Uses Electrical insulation

SECTION 2: Hazard(s) Identification

Signal Word

Hazzard Statements N/A This Product Is A Manufactured Article And, As Such, Is

Exempt From The Hazardous Products Act. For

Additional Information, See Section 9.

Precautionary Statements N/A

Other Hazzards not contributing to

the classisification

None

Unknown Acute Toxicity No data available

SECTION 3: Composition/Information on Ingredients

Name	Product Identifier	%
Silicone Tape		100%

SECTION 4: First-Aid Measures

First-aid measures after inhalation If expoxed to fumes/gases from overheating, seek medical advice.

First-aid measures after skin contact Wash with soap and water, if irritation develops, seek medical

attention..

First-aid measures after eye contact Flush with water for 15 minutes.

SECTION 5: Fire-Fighting Measures

Suitable extinguishing media Foam, Water Fog, Dry Chemical or CO2

Fire hazard N/A

Explosion hazard N/A

Reactivity No reactivity hazard other than the effects described in sub-sections

below.

Firefighting instructions Do not use water except a fog.

Protection during firefighting Self contained breathing apparatus with a full face piece operated in

pressure demand or other positive pressure mode is required for

firefighting personnel.

Specific methods Do not use water except a fog.

SECTION 6: Accidental Release Measures

General measures Use safety glasses and protective gloves when handling/using the

material.

For non-emergency personnel Do not breath fumes produced by burning.

For emergency responders Do not breath fumes produced by burning.

Environmental precautions Landfill or incinerate in compliance with all government regulations.

Methods and material for containment

and cleaning up

SECTION 8: Exposure Controls/Personal Protection

Silicone Tape ()	

Appropriate engineering controls General ventilation should be adequate.

Eye protection Use safety glasses during installation.

Other information

Respiratory Protection Not required.

SECTION 9: Physical and Chemical Properties

Physical state Solid

Color Varies

Odor Not applicable

pH Not applicable

Melting point No data available

Freezing point No data available

Boiling point No data available

Flash point No data available

Critical temperature No data available

EN (English US) SDS ID No data available

Auto-ignition temperature Product is not self-igniting.

Flammability (solid, gas) No data available

Specific gravity / density 1.2

Solubility Insoluble in water

Explosive properties Product does not present an explosion hazzard.

Additional information

SECTION 10: Stability and Reactivity

Reactivity N/A

Chemical stability Stable under normal conditions of use.

Possibility of hazardous reactions N/A

Conditions to avoid Normally stable. Hazardous polymerization will not occur.

Material is combustible and should be stored away from

excessive heat and flames.

Hazardous decomposition products Will produce fumes, smoke, carbon monoxide, and various

complex hydrocarbons during combustion.

Incompatible materials Strong oxidants like liquid chlorine, pure oxygen or calcium

hypochlorite.

SECTION 11: Toxicological Information

Acute toxicity Not Classified

Skin corrosion/irritation Not classified

pH: Not applicable

Serious eye damage/irritation Not classified

pH: Not applicable

Respiratory or skin sensitization Not classified

Germ cell mutagenicity Not classified

Carcinogenicity Not classified

Reproductive toxicity Not classified

Specific target organ toxicity (single exposure) Not classified

Specific target organ toxicity (repeated exposure) Not classified.

No known effects from this product.

Not classified. Not applicable.

SECTION 12: Ecological Information (non-mandatory)

General No relevant information available.

vPvB No relevant information available.

PBT No relevant information available.

Aquatic toxicity No relevant information available.

SECTION 13: Disposal Considerations (non-mandatory)

Waste disposal recommendations Dispose of contents/container in accordance with

local/regional/national/international regulations. Contact

supplier for any special requirements.

SECTION 14: Transport Information (non-mandatory)

In accordance with DOT regulations

SECTION 16: Other Information

Version 1.0
