Vehicle Fluid Line Repair Solutions

SPECIALTY

TP3153

Multi-Size Tubing Bender

**GREAT FOR
SHOPS &
HOBBYISTS**

Unique Design Eliminates Need For Multiple Tools Or Adapters

**Innovative design, great for bending lines:
brake, fuel, transmission & more**

- Use with SAE 3/16", 1/4", 5/16" and 3/8" tubing (O.D.) (also metric 6 mm, 8 mm & 10 mm)
- Works with **S.U.R.&R. UltraBEND®**, copper and aluminum tubing
- Wide grip, rubber sleeve handle minimizes slippage and reduces hand fatigue

SLIDE-TO-SIZE selector for ease of use

Create smooth bends in seconds for a professional look
