Bandit offers great styling and protection. The wrap-around frame has a dual lens look but is actually a single lens with molded-in sideshields and browguards for excellent protection and field of vision. The patented lens replacement system and multiple lens tint options make the Bandit both versatile and cost effective.

All Uvex® lenses offer 99.9% ultra-violet protection.

Fashion, Fit and Function, the Bandit is Still a Favorite.

- Contemporary, wrap-around styling
- Adjustable temple length
- Lifetime frame guarantee
- Meets military V₀ ballistic test for impact
- Meets ANSI Z87+ (High Impact) standard
- Made in USA, mirror lenses made in China

Clear — Used for most indoor work applications

Amber — For low-light applications where enhanced contrast is needed

Espresso — Minimizes strong outdoor sunlight and glare

SCT-Gray — Minimizes outdoor glare and offers true color recognition

Gold Mirror — Light mirror coating for varying light conditions

SCT-Reflect 50 — Light mirror coating is ideal for varying light conditions

Red Mirror — Deflects sunlight and glare

Blue Mirror — Deflects sunlight and glare
