C1: Carbon Scraper, flexible wire scraper, for scraping uneven surfaces

SS700: 1.3" Stiff Straight Blade Scraper, polished stainless steel, bolstered handle

SS700B: 1.3" Stiff Bent Blade Scraper, polished stainless steel, orange and black bolstered handle

SS702: 2" Stiff Straight Blade Scraper, polished stainless steel, orange and black bolstered handle

SS705: 1.3" Steel Putty Knife, tapered polished blade, ergonomic orange and black handle

SS706: 2" Steel Putty Knife, tapered polished blade, ergonomic orange and black handle

SS707: 3" Steel Putty Knife, tapered polished blade, ergonomic orange and black handle

SS7000: Stainless Steel Scraper Set 3 pc includes, SS700, SS700B & SS702 bolstered scrapers.

SS7100: Stainless Putty Knife Set 3 pc includes 1.3", 2", and 3" stainless steel flexible bladed tools, SS705, SS706, SS707; blaze orange handles, packed in tray with lid

SS7200: Knife Blade Scraper Set, 3 pc SS7210, SS7211, SS7212, in plastic tray with lid

SS7210: Spoon Knife Blade Scraper, knife blade stainless steel, orange and black handle

SS7211: Knife Blade Scraper, Chisel

SS7212: Oyster Knife Blade Scraper

SSC100: 3 Pc. Heavy Duty, Dual Bevel Striking Scrapers, all stainless steel with 2 component bolstered handles.

SSC75C2: ¾" Wide Heavy Duty, Dual Bevel Striking Scraper, stainless steel with 2 component bolstered handle.

SSC125C2: 1¼" Wide Heavy Duty, Dual Bevel Striking Scraper, stainless steel with 2 component bolstered handle.

SSC150C2: 1½" Wide Heavy Duty, Dual Bevel Striking Scraper, stainless steel with 2 component bolstered handle.

SSGH1: All Purpose Utility Knife/Scraper, stainless steel with 2 component handle & magnetic storage base.

VIM TOOLS BY DURSTON MANUFACTURING

Durston Manufacturing has manufactured special application tools in California since 1932. Our brand is VIM Tools, and we private brand for all of the leaders in the automotive tool industry. We have always strived to deliver a quality tool at a fair price.

NEW TOOLS:

We are manufacturing professionals who work with market demand and innovative inventors to design and bring new ideas in the automotive tool aftermarket.

WARRANTY:

All Vim tools carry a Limited LIFETIME Warranty. Any tool that fails during normal use will be repaired or replaced. Either return the tool to the place of purchase, or send it freight prepaid to VIM Tools, Durston Mfg. Co. (DMCO) for repair or replacement at our discretion.

SAFETY:

While we pride ourselves in the quality and dependability built into VIM Tools, we caution tool users that it is only prudent to follow common and accepted safety practices in their use.

- We recommend that safety goggles be worn when using any hand or machine powered tool.
- Never apply excess leverage to a wrench or drive tool by means of a "cheater bar," nor should wrenches or drive tools be struck with hammers or other objects.
- Be sure that the tool used is properly sized to the fastener and that applied torque is not excessive for fastener or the tool.
- All tools should be kept clean, inspected from time to time, and replaced when they show signs of wear.
- Power sockets and drivers should always be used when other than hand power is applied.
- Be careful not to place yourself in a position that could result in bodily injury in the event of a failure.

IMPORTED PRODUCTS:

Durston Manufacturing Co. will always be in the manufacturing business. We have started joint efforts with selected companies and import components and finished goods to help us to stay competitive and offer you high quality at a fair price. While we cannot claim that all of our products are made in the USA, you can be assured of the quality that you have come to trust.

SPECIALS:

Use of standard tools is encouraged in product design. However, whenever a special tool is necessary, we welcome the opportunity to assist you both in the design, material selection, and the proper heat-treating procedure to meet the hardness and toughness requirements for your application.

DIMENSIONS: All dimensions and descriptions contained in the catalog are subject to change without notice.

LIABILITY:

Durston Manufacturing Company VIM Tools, shall not be liable for any consequential or incidental damages incurred by the purchaser. The exclusive remedy for any product found to be defective under the above warranties is limited to refund, repair, or replacement of the defective product without charge.

Shop for other hand tools on our website.
